1. When you give CPAM your e-mail address, you will receive an e-mail inviting you to create an Account from [noreply@chippenhampediatrics.com](mailto:noreply@chippenhampediatrics.com).
2. Click on Sign up Today and follow the instructions in that e-mail where you will be directed to CPAM's Patient Portal to Create an Account.
3. Complete all pages – for security please enter all “0’s” or “9’s” for your child’s social security number.
4. If you are creating accounts for multiple children that you want to manage with the same email address we recommend you “Edit” the User ID and make it unique for each child.
5. Record your User ID and Password on this card and store it in a safe place. **Chippenham Pediatrics does not have access to your User ID or password.** When you interact with Chippenham Pediatrics you will receive a secure e-mail from [patient\\_services@medfusion.net](mailto:patient_services@medfusion.net). This e-mail has instructions on how to get the secure message.

### **Personal Health Record (PHR)**

This is a Personal Health Record that you can personally create for your child. The first time you go to your PHR you will receive a secure email from [IntuitHealthPHR@donotreply.intuit.com](mailto:IntuitHealthPHR@donotreply.intuit.com). This will direct you to your record that you have created. Chippenham Pediatrics cannot view or edit this PHR record.
